What arrives at your venue

01

We bring the whole bar — canopy, counter, dispensers, ice and cups — and our team pours to order for the length of the event. Guests come to the counter and are handed a drink made in front of them. Nothing is left for the hall to prepare, and we clear the space when we finish.

The counter set up under the hall portico — shaded, self-contained, and clear of the walkway.

Served through the reception, drink by drink.

One counter handles a steady line without holding guests up.

MINIMUM ORDER	ADVANCE NOTICE	SERVING SIZE	QUOTATION & INVOICE

Poured from the dispensers into 9oz cups at the counter — the size every guest is served.
